About the Awards:

The Luminary awards are presented annually to people who inspire us to keep forging ahead with our cause of greater understanding of our world through history and education. We focus on inspiring our youth and people of all ages through innovative, educational, challenging and entertaining programming to expand their horizons by exposing them to the broadening experience of the Arts.

Our honorees are people who care for all starta of our society and aren't afraid to take an unpopular stand with their voices, their art and their personal philosophies, and that is why we are proud to applaud them publically. These men and women are the torchbearers we all look to in this new millennium

This American pop fable illuminates the life and musical genius of a true original. The pop singer who wrote, performed and produced 24 Billboard hits over his 8 years at the top of the charts was also a pioneer in the Civil Rights movement and an inventor of musical styles that are still incorporated in pop and gospel music 50 years later.

Our DCCC and Howland CC shows were standing ovations!

What we will miss most about this season are the Friendships we formed, and sense of family that is Passing the Torch Through the Arts.

Catch the Fire of Inspiration!

Sincerely,

Passing the Torch Through the Arts
